ing signups, but that will change to 4-6 next year. A new fashion is developing of not putting one's name on the tear-off tags. Some of the these blank tags had a color-coded square or oval that allowed me to place them in the correct age/gender group, but two had nothing on their tag, so I stuck them in the men's 5K with no placing. Your address isn't needed on the tags, but we must have your name, age and age-gender sticker. Unidentified runners may call 530-878-1901 with name-age info, and be placed in updated race results.
